So beautiful,  
Dressed to kill,  
You're killing me,  
With silence.  
We have become,  
Something I wouldn't believe.  
Don't cross the line,  
Too cruel to be kind,  
Comes right on time,  
I could never feel alive,  
Anxiety,  
Invaded this dream,  
Don't think this time,  
Tell me were you ever mine.  
Conspiracy,  
I believe,  
Listen to me,  
Im falling,  
No other sadistic,  
As you have become,  
Stop laughing.  
Don't cross the line,  
Too cruel to be kind,  
Comes right on time,  
I could never feel alive,  
Anxiety,  
Invaded this dream,  
Don't think this time,  
Tell me were you ever mine,  
Don't blow me out,  
Don't tie me down,  
Don't steal my life,  
Don't let me down,  
Don't make me hurt,  
Don't let me down.  
Don't cross the line,  
Too cruel to be kind,  
Comes right on time,  
I could never feel alive,  
Anxiety,  
Invaded this dream,  
Don't think this time,

Tell me were you ever mine,  
So tell me were you ever mine,  
So tell me were you ever mine,  
Hard to say the right thing,  
Hard to say the right thing,  
Hard to say the right thing.
