.. quite as a mouse
I creped in the game
I do it for the love
Not a track to the fame
But if it comes it comes
We're jamming on the one
Jamming on the one
I'll be on the studio
Hotter than the sun
Socking up the game from the crisis
He's the one
Let you all borrow his style for a while
Guru voice niggers ,.
I turn inches the mouse
The, my playlist goes on for days
It's a routine not a .. dream
Real life rapper keep the suit clean
For the weddings, funerals, ,.
My jam's up it's so beautiful
I wanna know what they'll do to you
When you hear it the first time
It's new to you
I'm just moving through
Trying to figure out who is who
Jamming on the one
Jamming on the
Jamming on the one
Me and , having fun

Yo second verse
But the beat in the ,
Gift in the curse
My people come first
.. in a purse
Man I'm keeping up
She's a promoter not a whore
What you all niggers talk about
Try to pitch .. not walk it out
, 5 minute jamming see how we're coming
.. caught him sitting in traffic , and I berried the ,
Fresh like I am wrapped in plastic

Game it lasted
Wait until the final stretch
.. I like some movie got casted
And I push it every day
It's sad your flow goes no further bastard
We're jamming on the one
Jamming on the one
