I can't breathe when you leave,  
Come back before I suffocate.  
I can't sleep when your heart beat  
Rings through my veins,  
I feel it.  
Maybe if I can stay perfectly still,  
Could I hear you breathe?  
Why then should all this just make me feel ill?  
Do you feel for me?  
I don't want to be alone,  
Without you I'm lost and broken.  
I want you,  
I want you,  
I will not change for anyone.  
Maybe if I can stay perfectly still,  
Could I hear you breathe?  
Why then should all this just make me feel ill?  
Do you feel for me?  
I don't want to be alone,  
Without you I'm lost and broken.
