Come, enter my skin,
Flow, Flow through my veins,
It's such a rush, feeling your touch.
Breathe, into my lungs,
Love, Love keep me warm,
It's such a rush, feeling your touch.
Shine on me sweetly,
You blind me completely,
You shine to complete me, you do.
Ride, right through my soul,
Come, answer my call,
It's such a rush, feeling your touch.
Expired, I fall to the floor,
Touch, touch me some more,
It's such a rush, feeling your touch.
Shine on me sweetly,
You blind me completely,
You shine to complete me, you do.
When I'm watching you sleeping,
And I'm losing control,
And you stop me from breathing,
Shine on me.
Pull me out from this low,
In drowning in circles I know,
It's such a rush, feeling your touch
Shine on me sweetly,
You blind me completely,
You shine to complete me, you do.
Rise from the fire,
Your shine takes me higher,
My instincts desire you.
