(It's all they possess)  
Some people want to find a place among the rest  
(It's all that's left)  
There's a face  
In the windows of the world  
There's a voices  
In the pages of their heart that says  
I don't want to be lonely anymore  
I need something I can live for  
Wanted  
Anyone can see I want to be  
Wanted for love  
I want to be  
Wanted  
'Cause I'm reaching out to be  
Wanted for love  
Some people drift along in emptiness  
(It's all they possess)  
Some people want to find a place among the rest  
(It's all that's left)

There's a face  
In the deserts of the world  
There's a voice  
In the mountains of their heart that says  
I don't want to be lonely anymore  
I need something I can live for  
Wanted  
Anyone can see I want to be wanted  
Wanted for love  
I want to be  
Wanted  
'Cause I'm reaching out to be  
Wanted for love  
To sleep  
Crowned with tomorrow  
To dream  
And wake up with sorrow  
Wanted  
Anyone can see  
I want to be  
Wanted for love

I want to be  
Wanted  
'Cause I'm reaching out to be  
Wanted
