I stood on the corner  
Near a friend's house  
We shook hands, said goodbye  
I watched him as his loved ones  
Greeted him at the door  
And I couldn't help but cry

Cause you see  
I'm going home to no one  
I'm going home alone

It was fun to be fancy free  
But now my lonlieness  
Shows through, I miss you

What's the good in crying  
I'm only wasting tears  
What can I say, what can I do  
It's just a house without you

We planned a home  
High on a hill  
Til I had the urge to roam  
But now I found  
No peace of mind  
I can't seem to live alone

I think I'm gonna stop this crying  
Yeah, I'm only wasting tears  
What can I say, what can I do  
It's a house without you  
Just a house without you

Now we planned a home  
High up on a hill  
Til I had the urge to roam  
But now I found  
No peace of mind  
I can't seem to live alone

Lord, I got to stop this crying

Cause I'm only wasting tears  
Why should I fret  
And go and grab a jet  
Cause what am I rushing to

It's just a hole in  
The wall without you  
It ain't nothing there without you  
It's like zero without you  
Baby, ain't nothing there without you
