(by Goo Goo Dolls)

Could you whisper in my ear  
The things you want to feel  
I'll give you anything  
To feel it comin'  
Do you wake up on your own  
And wonder where you are  
You live with all your faults

Chorus:

I wanna wake up where you are  
I won't say anything at all  
So why don't you slide

Yeah we're gonna let it slide

Don't you love the life you killed  
The priest is on the phone  
Your father hit the wall  
Your ma disowned you

Don't suppose I'll ever know  
What it means to be a man  
Something I can't change  
I'll live around it

Chorus

And I'll do anything you ever  
Dreamed to be complete  
Little pieces of the nothing that fall  
Oh, may put your arms around me  
What you feel is what you are  
And what you are is beautiful  
Oh, may do you wanna get married  
Or run away
