(by Toad The Wet Sprocket)

Another day I call and never speak  
And you would say nothing's changed at all  
And I can't feel much hope for anything  
If I won't be there to catch you if you fall

Again  
It seems we meet  
In the spaces  
In between  
We always say  
It won't be long  
But something's always wrong

Another game of putting things aside  
As if we'll come back to them some time  
A brace of hope a pride of innocence  
And you would say something has gone wrong

Again  
It seems we meet  
In the spaces  
In between  
We always say  
It won't be long  
But something's always wrong

[1]  
"Again we fail to meet and mend  
The spaces safe between intents  
We say too much and long been gone,  
Oh but something's always wrong."

[2]  
"Again we fail to make amends  
And wend our way between intents  
And looking back, not moving on  
Oh but something's always wrong."

[3]  
"Again we fail to meet and mend

The spaces safe between intents  
We say too much, too long been gone
