Here we are-this is all of us Larger than we seem to be You are one of us Metal and cable and pixel and love This is all of us Silicon blinking and buttons and knobs This is all of us Escape yourself this moment Let us fill you in as our arms are wide And we only love you With all of what we will be You are part of this Let it take you in- we only love you Feel us- we're under your lungs You are one of us Feel us- we're all through your bones This is all of us Synthesized digital audio love You are one of us Electronic subsonic gifts from above

This is all of us
