By design
Lie composed
Lie despised
Lie disposed
Well if I hide
If I only get enough
Just to do
What I wanted to do

I've been planning this meeting for days
Carefully placing my words
Come back to me little girl

Well if I hold
Well if I ride
If I hold
Through the night
She's underage
If I only get enough
Just to do
What I wanted to do

Like a knife
Just like I talk
Well I could love
Whoever I want

Yeah, if I only get enough
Just to do
What I wanted to do

'Cause I've been planning this meeting for days
Carefully placing my words
Come back to me little girl
I've been planning this meeting for days
Carefully placing my words
Come back to me little girl
'Cause I'm on your side
