Your love could be sweeter
Than the sweetest apple tree
But I can't taste the goodness
If you keep it far from me

Your eyes could be brighter
Than I've ever seen the sun
But I walk in the shadows
I'm a lonely son-of-a-gun

CHORUS:

Daisy Mae (Daisy Mae)
You've been runnin around too long
Daisy Mae (Daisy Mae)
Come on back where you belong
It's OK (It's OK)
I will always be your friend
Daisy Mae (Daisy Mae)
You're gonna find out in the end
That I'm the one who's gonna
Bring the good times to ya
I'll be the first to say
That I need you more than ever Daisy Mae

Think about what you're missing
And what you've got waiting here
There's so much I'm keeping
Just to whisper in your ear

C'mon Daisy now don't hold out
Just to make me want you more
There's no one in this big ol world
I'd rather be pulling for

Repeat full chorus

Daisy Mae (Daisy Mae)
You've been running around too long
Daisy Mae (Daisy Mae)
Come on back where you belong

Repeat above two lines to fade
