Baby, baby, fallin' in love
I'm fallin' in love again
Baby, baby, fallin' in love
I'm fallin' in love again

I could never see what fate had meant for me
And then, you came and made my dreams match
reality
Maybe you can see all the things you've been to me
But my simple fate is at the gate and girl, you've got
the key

Baby, baby, fallin' in love
I'm fallin' in love again
Baby, baby, fallin' in love
I'm fallin' in love again

It seems like yesterday you and I first loved this way
But now, I know how love can grow with each and every
day
As we lay at midnight's hour and feel love's hidden
power
So strong and bold as life unfolds its mystery to me

Baby, baby, fallin' in love
I'm fallin' in love again
Baby, baby, fallin' in love
I'm fallin' in love again

You and me for eternity
In love, we'll always be
Young and free and that should be
The way it's gotta be

Baby, baby, fallin' in love
I'm fallin' in love again
Baby, baby, fallin' in love
I'm fallin' in love again

Baby, baby, fallin' in love
I'm fallin' in love again
Baby, baby, fallin' in love

I'm fallin' in love again

Baby, baby, fallin' in love

I'm fallin' in love again

Baby, baby, fallin' in love

I'm fallin' in love again
