Once you've felt the feelings full
Of life and love, the ocean's flow
Don't let life go by

To feel the thrill of love inside
Share the thoughts
That you can't hide
Don't let lovers die

(CHORUS)

They say winners and losers are
Two of a kind, you know it's that way
They say winners and losers are
Two of a kind, you know it's that way

So every day, you say again
Love's a risk, don't hurt your friend
And don't let love go by

You fill the cup of life so well
Let's drink to life, together
Tell the reasons why

(CHORUS)

When you're feeling down and low
You've hurt the one who loves you so
Please, don't you cry

Just come to me
And I'll hold you tight
My wanting love will make it right
And love won't go by

(CHORUS)

Winners and losers
Winners and losers

Winners and losers
Winners and losers
