Don't pull your love out on me, baby
If you do, then I think that maybe
I'll just lay me down, cry for a hundred years
Don't pull your love out on me, honey
Take my heart, my soul, my money
But don't leave me here drownin' in my tears

You say you're gonna leave
Gonna take that big white bird
Gonna fly right out of here
Without a single word
But you know you'll break my heart
When I watch you close that door
'Cause I know I won't see you anymore

Don't pull your love out on me, baby
If you do, then I think that maybe
I'll just lay me down, cry for a hundred years
Don't pull your love out on me, honey
Take my heart, my soul, my money
But don't leave me here drownin' in my tears

Haven't I been good to you
What about that brand new ring?
Doesn't that mean love to you
Doesn't that mean anything?
If I threw away my pride
And I got down on my knees
Would you make me beg you, "Pretty please"?

Don't pull your love out on me, baby
If you do, then I think that maybe
I'll just lay me down, cry for a hundred years
Don't pull your love out on me, honey
Take my heart, my soul, my money
But don't leave me here drownin' in my tears

There's so much I wanna do
I've got love enough for two
But I'll never use it girl, if I don't have you

Don't pull your love out on me, baby

If you do, then I think that maybe
I'll just lay me down, cry for a hundred years
Don't pull your love out on me, honey
Take my heart, my soul, my money
But don't leave me here drownin' in my tears

Don't pull your love out on me, baby
If you do, then I think that maybe
I'll just lay me down, cry for a hundred years
Don't pull your love out on me, baby
If you do, then I think that maybe
I'll just lay me down, cry for a hundred years
