They do what they wanna do, say what they wanna say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and the slap a
friend
The Addams Family

Now I was cold coolin', you know
(Maxin' and relaxin')
Just kickin' it around the house
(Oak town kicking' it)
When a knock, a knock, a knock and a voice yo!

Can hammer come out?
(What's up?)
Now I don't mind being a friend
(Mind)

And showin' a little bit of flava
(Flava)
But Wednesday, pugsley, gomez, fester
(Oh, man)
Man, them some strange neighbors

They do what they wanna do, say what they wanna say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and the slap a
friend
The Addams Family

I remember the day I needed to borrow a little of
pepper
(For my chicken)
The next thing you know, comin' at me
Was a hand with the fingers high steppin'
(I'm witcha)

Now I tried to play it along
(You know)
And act like I was havin' a ball
(Ha, ha)

But what do I see yo a perm with feet

(Cousin' it)
Standin' about three feet tall
(I'm outta here)

They do what they wanna do, say what they wanna say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and the slap a
friend
The Addams Family

Speakin' and thinkin' about the Addams
You know the hammer is with it
(I'm with it)
Act a fool, no bones, swooop, goofy and randy
You know we kick it
(The posse)

Now is the time to get in your mind
It's okay to be yourself
(Be yourself)
Take foolish pride and put it aside
Like the Addams, yo they def
(That's a family)

They do what they wanna do, say what they wanna say
Live how they wanna live, play how they wanna play
Dance how they wanna dance, kick and the slap a
friend
The Addams Family

(Addams)
Too legit
(Addams)

You know what I'm saying, the Addams

(Addams)

(Talkin' 'bout the Addams now)
(Addams)

The Addams Family

(The Addams Family)

friend
(The Addams Family)
