Yeah, yeah, yeah, I'm rolling on  
This is the way we roll, we roll  
This is the way we roll

Yeah, yeah, rolling  
Rolling, I'm rolling

Sounds like one of those funky  
M.C. Hammer cuts to me money  
Yeah, that's what it sounds like, yo  
This is one of those records  
When the fellas get on the floor  
And say baby yea I'm all that

Down the highway  
I'm doing it all my way  
Money in my pocket (Yo)  
I'll say it feels good  
That I got it like that  
My top dropped  
Her hand is in my lap (my lap)

Alpine kickin' another selection  
The girlies keep lookin' in my direction  
My tank is full  
My fame is strong  
I got it like that  
So I'm rollin' on...

This is the way we roll  
We roll... We roll  
This is the way we roll... Rollin'  
(Rollin'... Rollin'... I'm rollin' on)  
This is the way we roll  
We roll... We roll  
This is the way we roll... Rollin'  
(Rollin'... Rollin'  
All through Oaktown I'm rollin' on)

This is the way we roll  
We roll... We roll  
This is the way we roll... Rollin'

(Rollin'... Rollin'... I'm rollin' on)  
This is the way we roll  
We roll... We roll  
This is the way we roll... Rollin'  
(You left turn there's high street)

Gotta keep my business straight  
My mobile phone rings yo  
I think great (great) good news  
And I'm happy as Gilligan

Big Lou say we just hit ten million (ten million)  
Thinking back to when I first got started  
A lotta M.C.'s yo  
They brokenhearted (That's their business)  
I don't sweat it because my game is strong  
I got it like that so I'm rollin' on

This is the way we roll  
We roll... We roll  
This is the way we roll... Rollin'  
(I'm rollin', I'm rollin' on  
I'm rollin', I'm rollin' on  
Rollin' rollin' I'm rollin' on...

Yo! Take me to the bridge (We're rollin')  
Now let's show them how  
A real posse breaks it down

Rollin' rollin' rollin'  
Rollin' rollin' rollin' rollin'  
(You can't stop us we're rollin'  
You can't stop us we're rollin'...)

Rollin' rollin' rollin' rollin'  
Rollin' rollin' rollin'

[Backthe BRIDGE]  
(I feel it... I feel it...)

When you break it down this time  
You better break it down  
I'm rollin' on...

This is the way we roll  
We roll... We roll  
This is the way we roll... Rollin'

Five years of hippin' and a hoppin'  
'87 Is when the Hammer started poppin' (poppin')  
Got strong and now I'm stronger

The ladies love a man who can last longer (longer)

Feels good that I'm holding my own  
Ducking the sticks and dodging the stones (they throw)  
Dis me but never dismiss me 'cause the Hammer is  
strong  
So I'm rollin' on

Rollin' rollin' rollin'  
Rollin' rollin' rollin' rollin'  
To the bridge (it's gettin' funky  
It's gettin' funky...)  
You know right about now J.B.  
Would probably holler (HOOOO!...)

But sometimes I feel like the Godfather

[To the BRIDGE]

(Can't stop us don't try to stop us  
We're rollin'... Hey oh  
We're rollin'... We're rollin'  
Hey we're rollin' on...)

Yo! Burrell can we make it funky  
You see had to slip my  
Cousin name in there  
You know what I'm saying  
That ain't me, that's Jimmy Burrell  
You know he gets cousin propers on that one

I'm rollin'

Pass the loser who only can talk  
About what they're going to do  
Don't you know that I walk (walk)  
To a rhythm they'll never understand  
The rhythm of a Hammer beatin'  
Down on a man's Mind, spirit for oh so long

We're moving up (yeah) movin' on (movin' on)  
To a place where our mind runs free  
You be you and I'll be me... rollin' on!...

Now I want the whole posse to  
Ake me to the bridge... (we're rollin'...)  
Now everybody inthe house break it down...

Rollin' rollin' rollin'  
Rollin' rollin' rollin' rollin'  
(You can't stop us we're rollin')

You can't stop us we're rollin'...)  
Rollin' rollin' rollin' rollin'  
Rollin' rollin' rollin'

Here it is! All right now  
We're gettin' ready to do something real fun  
I want to see everybody do that jump... Is dese you?  
(Don't you know we're rollin'?...) I'm rollin' on!

Rollin', rollin', I'm rollin' on  
Rollin', rollin', I'm rollin' on!  
Rollin', rollin', I'm rollin' on  
Rollin', rollin',  
(I'm rollin', I'm rollin' on  
I'm rollin', I'm rollin' on)  
I'm rollin' on!... Rollin', rollin'...  
I'm rollin' on!... Yo  
Everybody in the house  
I'm rollin' on!... Rollin'... Rollin'...  
(You can't stop us... Oh no  
Don't you know we're rollin') I'm rollin' on!...
