Touch me again  
I told you in the end  
You would never pass my way  
Again, again, again

I said, I said I'd never cry  
You said you'd never lie  
Here we are, here we go  
Again, again, again

Round and 'round and 'round it goes  
Where it stops, no one knows  
Here we are, here we go  
Again, oh no

Drifting away, day after day  
Hole in my heart, won't go away  
Drifting away, day after day  
Hole in my heart, won't go away

Drifting away, day after day  
Hole in my heart, won't go away  
Drifting away, day after day  
Hole in my heart, won't go away

Hit me again  
No, I told you, near the end  
You would never pass my way  
Again, again, again

I said I'd never cry  
You said you'd never lie  
Here, yes, here we go  
Again

Drifting away, day after day  
Hole in my heart, won't go away  
Drifting away, day after day  
Hole in my heart, won't go away

Drifting away, day after day  
Hole in my heart, won't go away

Drifting away, day after day  
Hole in my heart, it won't go away, yeah  
No
