When you are old enough, to read this words  
Their meaning will unfold  
These words are all that's left  
Though we've never met, my only son  
I hope you know, that I would've been there to watch  
you grow

But my call is greater than you know  
Now your mission lies ahead of you  
As it did mine so long ago  
To help the helpless ones, who all look up to thy  
That's the defender, to the end

Defender  
Ride like the wind, fight proud my son  
You're the defender god has sent  
Ride like the wind, fight proud my son  
You're the defender god has sent

Father, father, father I look up to you  
And head thy call  
This letter ends my search, I'll live your dream  
now passed on to me  
And I now await, to shake the hand of faith  
Like the dusk awaiting dawn

So wisards, cast your spells  
with no heart to do me well  
So it is written, it shall be

Yeah  
\*guitar solo\*

Defender  
Ride like the wind, fight proud my son  
Your the defender god has sent  
Ride like the wind, fight proud my son  
Your the defender god has sent

Ohh  
Ahhh  
Defender
