There is a crying in the nightfall
There is a howling in the wind
And when the urge is getting stronger
We hit the streets, the city calls
The night is free-for-all
We rule the dark
and we do as we please
And nothing can stop us
no time to catch som z's
[chourus]
Howlin' With The 'Pac
Fighting for the right to be
Howlin' With The 'Pac
Templars of the first degree
We never minded any warnings
Or asked directions from the stars
And when the moon start it's ascending
We feel the rush, the inner glow
The crimson river flow
We have the might
and the power to succeed
And nothing can stop us,
cuz we're the restless breed
[Chourus]
Howlin' With The 'Pac
Fighting for the right to be
Howlin' With The Pac
Templars of the first degree
And when our legion's falling down
We will crawl back from hell, reclaim the crown
The sign is shining for us
It's glow will lead us on our way
When we are lead astray
(solo: Stefan, Oscar)
We rule the dark
and we do as we please
There's no way to stop us, no time to catch som z's
[chourus]
Howlin' With The 'Pac
Fighting for the right to be
Howlin' With The 'Pac
Templars of the first degree
