"Immortalized"

Heed the war cry for glory
Hear them calling your name
Hold your ground, show no mercy
For freedom in anger, now maim

Another angel is dying - Falling
His entry to heaven denied - Falling
from the skies
Predestined to walk and fend in the
darkness - Fortune
Reveal the gates of hell - Hex,
Immortalized

The fallen, they walk all among us - Angels
Their broken wings will not bear - Angels in disguise
Eternal dark, in torment anguish - Dawning
Bound to stagger this land - Hex,
Immortal

We walk the line, we stand alone eternally
We're crused to live, we cannot die,
Immortalized

Time goes by, now the angels
feed the eternal flame
Stand your ground, crused immortal
The hex is now stuck to your name.
