Standing at the crossroads where the future meets the  
past  
Oh, can't you feel there's magic in the air  
We're noble knights and mighty men, with the power to  
assay  
Faithful and true, let our deeds show you the way

Glorious, we live and we die  
Our courage will unite

In our hands we hold the future, carry on  
In our hearts eternally, we keep the flame burning

Hear the sound of roaring thunder  
And the sound of raging steel  
In the battle of thrust  
Our spirits will reveal

Glorious, we'd rather die  
With honor than to live with shame

In our hands we hold the future, carry on  
In our hearts eternally, we keep the flame  
Burning deep inside forever, shining on  
And in our hearts for all eternity, we keep the flame  
burning

We stay as we are  
Now the first crusade is won  
Let it be written  
Let it be done

In our hands we hold the future, carry on  
In our hearts eternally, we keep the flame  
Burning deep inside forever, shining on  
And in our hearts for all eternity, we keep the flame  
burning
