One More Time
One More Time

Saints - From Heaven
Hell hang-arounds - Descending
Disciples of repression
Fuse - Our evil
Exterminate - Protectors
Bringing us down to the ground
And pushing us back to the...

Final frontier, wedlock in the grime
Cry a thousand tears, battle one more time.

One More Time
One More Time
One More Time
One More Time

Pray - Steel demons
Don't look away - Tormentors
Travers the darkned heavens
Seek - Our wicked
Seek and destroy - Opponents
Soldiers of heaven and hell

Hey - We're fighting
Eye for an eye - Protecting
Our Mother earth, dissecting
Break - Their evil
Ruin the core - Allegiance
Vengeance is now in our hands
Vengeance
Pushing us back to the...

Final frontier, buried in the grime
Cry a thousand tears, battle one more time.

One More Time

One More Time

One More Time

Final frontier, the judgement bell will chime
No wasted years, stand up one more time

One More Time
