The morning breaks, as a new day begin  
And I'm still on the road to nowhere  
No sign of life in his eyes, no emotion shown at all  
Just like water through my hands

In his heart, in his eyes  
In his soul there's no sign of thunder  
Screams, can you hear the screaming  
When another restless soul must die

In his heart, in his eyes  
In his soul there's no sign of thunder  
Screams, can you hear the screaming  
When another restless soul must die  
A glorious ride, to become immortalized  
As you sought your inner dreams and visions  
Your final words caught by the wind, never to be heard  
again  
Your last will to be forever free

In his heart, in his eyes  
In his soul there's no sign of thunder  
Screams, can you hear the screaming  
When another restless soul must die

In his heart, in his eyes  
In his soul there's no sign of thunder  
Screams, can you hear the screaming  
When another restless soul must die  
Solo: Stefan

In his heart, in his eyes  
In his soul there's no sign of thunder  
Screams, can you hear the screaming  
When another restless soul

In his heart, in his eyes  
In his soul there's no sign of thunder  
Screams, can you hear the screaming  
When another restless soul

In his heart, in his eyes

In his soul there's no sign of thunder  
Screams, can you hear the screaming  
When another restless soul

In his heart, in his eyes  
In his soul there's no sign of thunder  
Screams, can you hear the screaming  
When another restless soul must die
