02. The Fire Burns Forever

Fire, burn! Fire, burn!

Danced with the devil

Now your soul is bruised and scarred

There ain't no pride and dignity

Weaving down the rust paved boulevard

You lived your life thought you'd be immortalized

The moral of your story, what goes up must come back
down

Fire, burn! Fire, burn!

The Fire Burns Forever

Fire, burn! Fire, burn!

The fire burns Forever more

A moment of silence

Just before you hit the stage

This is your day of reckoning

To pay back all the dues and turn the page

You hit rock bottom and you stood the count to ten

Came back to harvest glory, now your star will shine
again

Fire, burn! Fire, burn!

The Fire Burns Forever

Fire, burn! Fire, burn!

The fire burns Forever more

Cause every step the light tracers follow

And every move you make, might be your last mistake

Solo: Stefan

Fire, burn! Fire, burn!

The Fire Burns Forever

Fire, burn! Fire, burn!

The fire burns Forever more

Fire, fire, burn
