"Youth gone wild"

Since I was born they couldnt hold me down
Another misfit kid, another burned-out town
Never played by the rules I never really cared
My nasty reputation takes me everywhere I look and
see its not only me
So many others have stood where I stand
We are the young so raise your hands

They call us problem child
We spend our lives on trial
We walk an endless mile
We are the youth gone wild
We stand and we wont fall
Were the one and one for all
The writings on the wall
We are the youth gone wild

Boss screamin in my ear about who Im supposed to be
Getcha a 3-piece Wall Street smile and son youll look
just like me
I said "Hey man, theres something that you oughta
know.
I tell ya Park Avenue leads to Skid Row." I look and see
its not only me
Were standin tall aint never a doubt
We are the young, so shout it out

They call us problem child
We spend our lives on trial
We walk an endless mile
We are the youth gone wild
We stand and we wont fall
Were the one and one for all
The writings on the wall
We are the youth gone wild
