I have come to answer your fears
I have come to make good on a promise
I am the whisper that gives you a reason
For all your feelings of hatred and treason

He left you fighting for your life
A bastard son he soon forgot
He raped and destroyed the village
No regard for the life he pillaged
On the throne there sits a villain
And for this now you must kill him

On wings of Vengeance
Fly forth my son
To claim your right as
Chosen One!

Now I understand what is my history
It's no surprise
From a king given to treachery
My destiny
I am the rightful heir to the throne
You left your son Forsaken

Turn the wheels of Catastrophis
Fly my spear your name is Vengeance!

My destiny
I am the rightful heir to the throne
You left your son Forsaken

Turn the wheels of Catastrophis
Fly my spear your name is Vengeance!

On wings of Vengeance
Fly forth my son
To claim your right as
Chosen One!

My destiny
I am the rightful heir to the throne
You left your son Forsaken
