I'd like to tell you but I don't know how to start
I wanna tell you about this aching all around my heart
I need no doctor, had the best in town
I just need your loving to ease my aching down

Can I help it if I love you?
Can I help it if I love you?

Oh, oh, that's my love you're delightful to see
Someone got to love you, can I help it if it's me?

Can I help it if I love you?
Can I help it if I love you?

Oh, every time I see you pass my way
I just smile and shake my head wondering what to say
I'm wondering what to say
I love you, I love you, oh, can I help it if I do?
