When I see all the  
People we used to know

They ask me  
Why I look so sad  
I have to say

But I lost what I had

Without your love  
I'm such a lonely man  
That's what I am  
And there's no one but

Makes me sad  
I got what I wanted  
But I lost what I had

Not knowing what I'd find  
I looked for something  
When I had it all the time

Now to think I've treated you  
So bad, makes me sad  
I went out and got what I wanted  
But I lost what I had

I got everything that I wanted  
But I lost what I had  
I got what I wanted

But I lost everything I had...
