I'm sentimental, so I walk in the rain  
I've got some habits even I can't explain  
Could start for the corner, turn up way in Spain  
But why try to change me now?

I sit and daydream, I've got daydreams galore  
Cigarette ashes, there they go on the floor  
I'll go away weekends, leave my keys in the door  
But why try to change me now?

Why can't I be more conventional?  
People talk, people stare, so I try  
But that's not for me, 'cause I just can't see  
My kind of crazy world go passing me by

So, let people wonder, let them laugh, let them frown  
Oh you know I'll love you till the moon's upside down  
Don't you remember I was always your clown?  
Why try to change me now?

I am too forgone and it's too late  
To try to change me now
