I've got something to say,  
and it ain't the usual sob-story  
that you hear every day,  
I've got something to ask,  
and I know that now's the time,  
now all the rooms of the party are dark.  
Proffer me the candy,  
yes, I understand ees fine;  
blow another candle out  
and throw another line....  
Birthday girl, I've got something for you,  
there's ice in the cauldron, look out now;  
birthday girl, here come a special  
like Hansel and Gretel never had.  
There's parrots in the pantry  
and there's lizards in the loo  
there's bloaters in the bathroom  
and this party is a zoo;  
I'm sitting in the kitchen  
trying hard to talk to you  
Birthday girl....

I just wanted to say  
that I'd like to make this the happiest of your birthdays  
and if that means turning the key  
then I'll turn it with you and there'll be no doubt  
about the way I agree,  
Birthday girl....
