We came to party, so where's the party-y?
Come on, let's party (let's go)
We wanna party, you wanna party-y
Let's start the party
Party with the Hampster Dance

Been around the world and back again
Now I'm gonna party with all of my friends
We got Fuzzy, Hado and Dixie too
Now we're all here to party with you

We came to party, so where's the party-y?
Come on, let's party (let's go)
We wanna party, you wanna party-y
Let's start the party
Party with the Hampster Dance

Now wave your paws up in the air (up-up-up)
Bounce around, like you just don't care
Come on people, let me hear you shout
'Cause havin' fun is what it's all about

We came to party, so where's the party-y?
Come on, let's party (Na-na-na-na-na-na)
We wanna party, you wanna party-y
Let's start the party
Party with the Hampster Dance

Scratch
Do you really wanna party?
Hey! Ho! Hey! Let's go!
Hey! Ho! Hey! Let's go!
Let's go!

Who wants to party, we wanna party-y
Come on, let's party! Hey! Ho! Let's go!
Who wants to party? We wanna party-y
Let's have the party, party with the HampsterDance

We came to party, so where's the party-y?
Come on, let's party (Hey! Ho! let's go)

We wanna party, you wanna party-y
Let's start the party
Party with the Hampster Dance

Come on, let's party
Party with the Hampster Dance
