Do you wanna stand for your lies?
Do you wanna feel like a child?
Let somebody get close to you
I'm still alone by your side

Come back, come back, baby don't look back
Come back, come back, baby don't look back

Do you wanna stand up
Or let yourself just fall down?
Oh baby, I need you sometimes
I need you to cover up my crimes

Come back, come back, baby don't look back
Come back, come back, baby don't look back
Come back baby, come back, baby please don't forget
Come back baby, come back, baby
Baby, shake your head

Do you wanna play your part
On a stage
Or maybe just break down your cage?

Come back, baby come back, baby don't look back
Come back, baby come back, baby don' look back
Come back, baby come back, baby please don't forget
Come back baby, come back, baby
Baby, shake your head

Now that you've played your part
On a stage
You're ready to break down your cage?
