Have you heard the news, today?
What I've read made me feel this way

Bring me back to the light
We can watch
Our troubles end tonight

Can you get me through the rain
Can you?

Going back to the place
That I know
Shadows won't let go

Through the streets I call home
Face to face
Alone but not alone

Hey there
Do you have the time?
Can we face the day?
Can we find what's hidden?

A star waits for you there
