Heard there was a secret chord
that David played and it pleased the lord

But you don't really care for music, do you
well it goes like this the
fourth, the fifth
the minor fall and the major lift
the baffled king
composing hallelujah

Hallelujah...

Well your faith was strong but you
needed proof
you saw her bathing on the roof
her beauty and the moonlight
overthrew you
she tied you to her kitchen chair
she broke your throne and
she cut your hair
and from your lips she drew the hallelujah

Hallelujah...

Baby I've been here before
I've seen this room and I've
walked this floor
i used to live alone before i knew you
I've seen your
flag on the marble arch

but love is not a victory march
it's a cold and
it's a broken hallelujah

Hallelujah...

Well there was a time when you
let me know
what's really going on below
but now you never show that to me
do you

but remember when i moved in you
and the holy dove was moving too

And every breath we drew was hallelujah

well, maybe there's a god above

but all I've ever learned from love
was how to shoot somebody who outdrew
you

it's not a cry that you hear at night

it's not somebody who's seen the
light

it's a cold and it's a broken hallelujah

Hallelujah...
