Refrain:

I wanna scream I wanna jump for joy  
And I want everyone to know  
I wanna scream I wanna jump for joy  
I gotta let the whole world know

Everybody jump jump  
Everybody jump jump  
Jump for joy  
(2x)

I wanna jump for joy - J. O. Y.  
'Cause Cupid shot your arrow in the sky  
You know the feeling jumping and screaming  
Here come the angels marked by demons  
You must be dreaming your heart is steaming  
Forget the pain and start believing  
Butterflies are moving fast  
Is this the last love look of the last?  
Heavier as ever rhymes quite clever  
Respect to the world it's time for whatever  
Stimulate the feeling that you've got inside  
Hold me down so we can take a ride  
Hoaw my month for you to enjoy  
Wave your hands in the air and jump for joy

(Refrain)

Jump for joy jump for joy  
Jump for joy jump for joy  
I wanna jump for joy

Everybody jump jump  
Everybody jump jump  
Jump for joy  
(2x)

(Refrain 2x)

Jump for joy jump for joy...  
(repeat to fade)
