[ANITA:] Baby come and take me on your natural high
Only you can make me feel the way you do
Baby come and take me on your natural high
I like the way you do the things you do

[ANITA:] Your love is burning like fire!
Taking me higher!
Burning like fire!
You've got to intoxicate your love
I can't get enough!

[RAY:] My heart starts bouncing, my legs feel weak
My head is turning and it's hard to speak
Floating with my mind on the river of joy
If I'm the player, then your my toy
Just follow me slow, sexy
Overeasy rhymes are delivered by me
Cause you're the one that I desire
It feels so hot, it burns like fire

[ANITA:] Buring like fire
Higher, higher

[RAY:] Naturally high, my brain's up in the sky
Without wings, I fly, fly, fly
Don't ask me why, cause I can't deny
You move so sexy, I like to give it a try
Tell me girl now what I'm feeling
Like Marvin Gaye 'Sexual healing'
'Cause you're the one that I desire
It feels so hot it burns like fire!

[ANITA:] Baby come and take me on your natural high
Only you can make me feel the way you do
Baby come and take me on your natural high
I like the way you do the things you do

[RAY:] Burn it up
Take me higher
Burn it up

[ANITA:] Your love is burning like fire!
Taking me higher!

Burning like fire!
You've got to intoxicate your love
I can't get enough!
Your love is burning like fire!
Taking me higher!
Burning like fire!
You've got to intoxicate your love
I can't get enough!

[RAY:] Burn it up
Burn it up
Burn it up
Burn it up
Burn it up
Burn it up
Burn it up
Burn it up

[ANITA:] Take me higher
And you know that
[RAY:] Come On!
Want you take me higher
Want you take me higher
[ANITA:] You know I'm burning like fire

[ANITA:] Your love is burning like fire!
Taking me higher!
Burning like fire!
You've got to intoxicate your love
I can't get enough!
