Lyrics by Phil Wilde, Jean-Paul De Coster, Michael Leahy
& Peter Bauwens

I'm gonna get closer to you. Come closer !

I'm gonna get closer to you. Come closer !

I see you watching me boy

Like, I've been watching you, and

I think it's time that we get down

We're talking big attraction

We're talking interaction

I think it's time that we get down

CHORUS:

I'm gonna get closer to you

Show you all that love can give you

I'm gonna get closer to you now

I'm gonna get closer to you

Show you all that love can bring you

I'm gonna get closer to you now

Closer to you

I'll take you on a journey

You'll see that there's no turning back

Just need a change! and we'll get down

It's time for stimulation

When we're in isolation

I'll make you feel up if you're down

CHORUS 1x

Come closer and closer still

Closer, you make me thrill

Moving your body next to mine

Come closer and closer still

Closer, you make me thrill

Closer, I'll make you feel divine

Closer to you !

I'm gonna get closer to you

Show you all that love can give you

I'm gonna get closer to you now

Get closer to you now baby

I'm gonna get closer to you

Show you all that love can bring you

I'm gonna get closer to you now

Oh baby, baby baby baby

I'm gonna get closer to you
Show you all that love can give you
I'm gonna get closer to you now
Get closer to you now baby
I'm gonna get closer to you - Closer to you now
Show you all that love can bring you - Closer to you now
I'm gonna get closer to you now
Whenever you are near.
Chorus 1x
Come closer !
