*[ANITA:]* Come closer baby  
I wanna touch you  
'Cause I'm filled with desire  
It's burning in the block, with a fever like fire  
Desire!

*[CHROUS:]*  
*[ANITA:]* OH... There's something on your mind  
When you look across the room I know there's  
something you can find  
OH... You're on the borderline  
When I look into your eyes I know there's something on  
your mind it's called Desire

*[RAY:]* Desire!  
The call of the heart  
Fix you up and dish my apart  
Attraction, without satisfaction  
Sure ain't enough, cause you want interaction  
Now, not a moment to waste  
Hunger in you know wanna to be  
Pulling at your heart, buring in your bud  
With people like fire, Desire

*[RAY:]* Lust, when your body says much  
You can wish at a star, but don't trust luck  
If you beaten by book, hooked on the draw  
Then look for a girl to share your love

Heaven, where the angels don't go  
Heaven, where dicks turn to green  
It's pulling at heart, ruuning in your head  
Makes your skin scream, UH Desire!

*[CHROUS]*

*[RAY:]* Desess  
Leave those bodys alone, you got it on your mind and  
you're not the only one  
Attraction, the kiss of introduction  
Look into our eyes and the kiss becomes abduction  
Here, where the angels don't go

Heaven and nothing but dicks  
You playing with your heart, playing with your life  
But you know you got to start, Desire

*[RAY:]* OH... You fill me up  
You fill me up  
You fill me with desire  
OH... Something on you mind  
Something on your mind  
Hay... Hay...  
OH... Burning like fire!

*[ANITA:]* Yeah! You fill me with desire  
You fill me with desire  
Hey... Boy  
Something on your mind  
Something on your mind
