[ANITA:] Sometimes you need to break away  
[RAY:] Come On!

[ANITA:] Get on your feet now, and don't be lazy!  
Get on your feet now, and let's go crazy!  
Theres sometimes you just need to get away from the  
troubles and worries of every day  
All you have to do, yeah, you know the trick: just  
escape in the music!

[RAY:] Woow, uh uh, Yeah Come On!  
[ANITA:] Hehh....

[RAY:] I mark the spot when the floor gets hot  
Creative enough, easy but tough  
The life we living strange and rough  
All these situations- man, I've had enough  
We have to escape in the music today  
Take it from me dancefloor filler Ray  
We gotta get away, gotta disappear  
So release your feet and lend me your ear

[ANITA:] Get on your feet now, and don't be lazy!  
Get on your feet now, and let's go crazy!  
Theres sometimes you just need to get away from the  
troubles and worries of every day  
All you have to do, yeah, you know the trick: just  
escape in the music!

Theres sometimes you just need to get away from the  
troubles and worries of every day  
All you have to do, yeah, you know the trick: just  
escape in the music!

[A:] Woow Yeah!  
[RAY:] Bang, bang in your face  
Bang, bang in your face  
Come ON!  
[ANITA:] Escape in music!  
Baby, yeah  
[RAY:] Uh uh, yeah, Come On!

*[RAY:]* Once you're with the music, it becomes  
addiction  
It fascinates like science fiction  
You're on a joyride, the tempo ain't slow  
Everybody knows that you got to go  
All surrounded by musical notes  
The mighty dancefloor becomes a road  
We gotta get away, we gotta disappear  
3-2-1, I'm outta here!

*[RAY:]* We gotta get away, gotta disappear

*[ANITA:]* There's sometimes you just need to get away  
from the troubles and worries of every day  
All you have to do, yeah, you know the trick: just  
escape in the music!

*[ANITA:]* Don't be lazy  
Escape in music!
