[A:] Uh....

But I'm standing still, I'm standing still, I'm standing still

[A:] But I'm standing still, I'm standing still, I'm standing still

Uh....

Uh....

[A:] The world is spinning, but I'm standing still

A voice is calling saying 'nowhere left to go'

Heartbeat

Nothing moving

Heartbeat

No-one grooving

Heartbeat

I'll be waiting

Heartbeat

Invite me to trance

[A:] Give a heart another chance

[A:] Stand be kneeling, spinning me round and round

A empty feeling, I know it can't go on

Heartbeat

Nothing moving

Heartbeat

No-one grooving

Heartbeat

I'll be waiting

Heartbeat

Invite me to trance

[R:] Transport you, take you away

Far from here, far from today

Transform my time, change of heart

Another chance, another start

Transfer your pain where it hurts

To be let go, the heavy works

Transmit your love to world within

'Cause the only hope is a chance to win
