I wanna scream, I wanna jump for joy
And I want everyone to know
I wanna scream, I wanna jump for joy
I gotta let the whole world know

Jump for joy, jump for joy
Jump for joy, jump for joy

Everybody jump, jump
Jump for joy
Everybody jump, jump
Everybody jump, jump
Jump for joy

I wanna scream, I wanna jump for joy
And I want everyone to know
I wanna scream, I wanna jump for joy
I gotta let the whole world know

I wanna jump for joy, J O Y
'Cause cupid shot your arrow in the sky
You know the feeling, jumping and screaming
Here come the angels, bye to demons

You must be dreaming, your heart is steaming
Forget the pain and start believing
Peace and love surrounding earth
Respect to my mum who gave me birth

Butterflies all moving fast
Is this the last love or will the love last
Happy as ever, rhymes quite clever
Respect to the world 'cause I'm down for whatever

Stimulate the feeling you got inside
Hold me tight so we can take a ride
Wrote my rhyme for you to enjoy
Wave your hands in the air and jump for joy

I wanna scream, I wanna jump for joy
And I want everyone to know
I wanna scream, I wanna jump for joy

I gotta let the whole world know

Jump for joy, jump for joy
Jump for joy, jump for joy
Jump for joy

I wanna jump for joy, jump for joy
Everybody jump, jump
Everybody jump, jump, jump for joy
Everybody jump, jump, jump for joy

I wanna scream, I wanna jump for joy
And I want everyone to know
I wanna scream, I wanna jump for joy
I gotta let the whole world know

I wanna scream, I wanna jump for joy
And I want everyone to know
I wanna scream, I wanna jump for joy
I gotta let the whole world know

Jump for joy, jump for joy
Jump for joy, jump for joy
Jump for joy, jump for joy
Jump for joy, jump for joy
