[A:] Let the beat control your body  
Let the beat control your body

[A:] Let the beat control your body  
Let the beat control your body

[A:] Let the beat control your body  
Let the beat control your body

[A:] Let the beat control your body  
Let the beat control your body  
Let the beat control your body

[A:] Let the beat control your body  
Let the beat control your body  
Let the beat control your body  
[R:] Now the my beat control your body!

[R:] The booming system which plays in places  
Move your system, change these spaces  
When I'm on the mic you can't refuse  
No one ever came to preach, I came to amuse  
Techno making; no mistakin'; never faking  
Always breaking it down, Hey to a party  
Now let my beat control your body!

[R:] Let my beat  
Let my beat

[A:] Let the beat control your body  
Let the beat control your body  
Let the beat control your body  
[R:] Now the my beat control your body!

[A:] Let the beat control your body  
Let the beat control your body  
Let the beat control your body

[R:] My beat B.E.A.T.

It's my beat and it controls your body  
[A:] It penetrates your brain  
Without my beat you go insane  
[R:] It's my beat and you can't break it

[A:] It's my beat and you can't fake it  
[R & A:] It's my beat and you can't copy  
Let my beat control your body

[R:] Down with the forces how we go  
Second to first just you to show  
You just can't stand still 'cause you gotta move  
You feel the bass line you feel the groove  
My beat accepts you just as you are  
It drives you away just like a fast car  
It's my beat, it belongs to me  
So let my beat control your body!

[R:] Pow! Pouch! Pow! Pouch!  
Bass in your face  
Bass in your face  
Supersonic motoivated  
Pow! Pouch! Pouch!  
Bass in your face  
Bass in your face  
Come on come on come on  
It's time to move your feet get on yo'll

[A:] Let the beat control your body  
Let the beat control your body  
Let the beat control your body  
[R:] Let the beat control your body

[A:] Let the beat control your body  
Let the beat control your body  
Let the beat control your body  
[R:] Now the my beat control your body!

[A:] Let the beat control your body  
Let the beat control your body  
Let the beat control your body  
Let the beat control your body, Yeah!

[R:] Let mt beat, Let mt beat

Bass in your face Bass in your face

[A:] Let the beat control your body
