[ANITA:] Whoa, whoa

Yeah yeah!

Nothing like the rain!

[RAY:] Yeah...check it out ya'll! Nothing like the rain!

[ANITA:] HAY!!!..... HEY!!!.....

Nothing like the rain

[RAY:] There's nothing like the rain, nothing like the rain,

to come and wash away, away the pain!

[ANITA:] Let me ask a question 'where do we go from here?'

Playing games to pass the time, that's OK

'Cause time is on our side!

[ANITA:] There's nothing like the rain, falling down again

To come and wash away the pain

There's nothing like the rain, falling down again

To clear the air so we see again!

[RAY:] Falling down again..

[ANITA:] If I make a promise, I'll never let you down, no no

Love will always break your heart, so they say

But we can turn that 'round! Oh, baby...

There's nothing like the rain, falling down again

To come and wash away the pain

There's nothing like the rain, nothing like the rain

To clear the air so we see again!

And we won't give up

[RAY:] We won't give up!

[ANITA:] No, we won't give in

[RAY:] Check it out, ya'll

[ANITA:] When there is so much we can do

[RAY:] So much left to do

[ANITA:] And we won't give up

[RAY:] We won't give up!

[ANITA:] No we won't give in

When there is so much left to do.

[RAY:] So much left to do...aw, j'yeah. It's there, can you feel it?

A chance to change the world if you want it, you can give up a lot, but don't give in
Be ready for your break when it comes your way
Today I say, hey, prepare, a break in the clouds you will be heard
Raise your voice, stake your claim
After the storm, after the rain!

[ANITA:] There's nothing like the rain, falling down again

To come and wash away the pain
Wash away the pain There's nothing like the rain
Nothing like the rain
Nothing like the rain
To clear the air so we see again!
And we won't give up
We won't give up!
No, we won't give in
We won't give in
When there is so much we can do

[RAY:] Yeah Check it out, ya'll

[ANITA:] And we won't give up

We won't give up

[RAY:] We won't give up!

[ANITA:] No we won't give in

[RAY:] We won't give up

[ANITA:] When there is so much left to do.

[RAY:] Nothing like the rain, nothing like the rain
Nothing like the rain, nothing like the rain, nothing like the rain
Nothing like the rain
