[ANITA:] Sensuality

Sensuality

Your love got a hold on me

Hey... Hey...

Physical attraction

[RAY:] Like a walk through the valley of paradise

Clouds disappear and the sunshine rises

Inner thoughts overflow like the sea

The secrets and fantasies of the body

It makes you sweat, it makes you wet

The kind of feeling that you got to get

Supernatural irresistible

Feel the love, 'cause I like it sensual!

[ANITA:] What is this physical attraction?

Can't help it, I need satisfaction

Oh Yeah

Sensuality

It's got a hold on me

What is this physical attraction?

Can't help it I need satisfaction

And I knew satisfaction; Yeah

[RAY:] Now take a deep dive, let your emotions go

Further than you wish, but look out be cautious

The mind and body come together as one

But play it safe if you're gonna have fun

You need satisfaction, so start the flexin

Hungry for love, the physical attraction

Sexual, natural, no added flavour

'Cause I like it sensual

[ANITA:] What is this physical attraction? Physical

Can't help it, I need satisfaction

Oh Yeah

Sensuality

It's got a hold on me

Hey... Hey...

Sensuality

And I knew satisfaction

It's got a hold on me
Physical attraction
[RAY:] Got to get it
Physical attraction
Yeah, so sensual
Supernatural irresistible
[ANITA:] Hey yeah.. hey yeah..
Physical attraction
Sensuality
I need satisfaction

[ANITA:] What is this physical attraction? Physical
Can't help it, I need satisfaction
Oh Yeah
Sensuality
It's got a hold on me
Physical attraction
Sensuality
Can't get you; sensuality
It's got a hold on me
Sensuality
