[*"A" - Anita*]

[*"R" - Ray*]

[*R:*] Come on. Check it out, ya'll

[*A:*] Come on, come on!

Come on, come on!

[*R:*] Check it out! 'The tribal dance!'

(Say that again?)

[*R:*] Feel the force, this is your chance  
To get control and do the tribal dance  
People started dancing a long time ago  
The bass was fast, but then again it was slow  
Soul, house, hip-hop and blues  
It doesn't really matter which music you choose  
Start up a dance this is your chance  
To come with me and do the tribal dance!

[*A:*] You've got to move it feel the temperature  
Into the rythm let the fire burn  
So get into it-- get into the trance  
This is the rhythm of the tribal dance  
'The tribal dance!'

[*R:*] It started with a tribe who discovered the vibe  
Who moved to the rhythm just the way they liked  
You hear the treble, you hear the bass  
The R-A-Y, yeah is on the case  
Feel the fire, feel the flame  
Do your thing now, don't be ashamed  
I have to go now no offense

I've hooked you up into the tribal dance!

[*A:*] Get it into it!  
Get into it!  
Get into the trance!

[*A:*] You've got to move it feel the temperature  
Into the rythm let the fire burn  
So get into it-- get into the trance

This is the rhythm of the tribal dance  
'The tribal dance!'

[A:] You've got to do the tribal dance!

[R:] Check it out! C'mon! Take your chance!  
Check it out! C'mon! Take your chance!  
Check it out! C'mon! Take your chance!

[A:] Tribal dance!

[R:] Tribal dance, tribal dance!

[A:] Yeah! Oh!

[R:] Tribal dance! Tribal dance!

[A:] You've got to move it feel the temperature  
Into the rythm let the fire burn  
So get into it-- get into the trance  
This is the rhythm of the tribal dance  
'The tribal dance!'

[A:] You've got to move it feel the temperature
