Goodbye David
You'll never know how much I love you
Goodbye David
You'll never know how much you hurt me
Goodbye David
Ruddy and handsome... the boy with a pure heart
Goodbye David
Hope all goes well with you

If you could just see through me
And read my mind maybe you'd stay for awhile
As if you care for me
And to what I feel inside

So...
Goodbye David
You'll never know how I dreamed about you
Goodbye David
You'll never know how I prayed it would be you
Goodbye David
Until now I don't know who I am to you
Goodbye David
Hope all goes well with you

If you could just see through me
And read my mind maybe you'd stay for awhile
As if you care for me
And to what I feel inside

So goodbye David... goodbye

Let the wind sweep me away from you
Let the wind sweep me to where I should belong
For to be in your arms... a feeling I might never know
So goodbye to my dreams...
And to what I feel... goodbye to you...David
Goodbye David...
Hope all goes well with you
