I'm a lonely tree, standing in a corner still  
Waiting for the summer day  
But I can feel the rain  
But who cares, if I cry, a thousand cries  
Nobody would even try to talk to me

Ref:

Para, papara ra... papaparara, papaparara

I hope someday, that my life  
Will be okey. Even if for just one day  
For just one day!

Chorus:

Would you even try to have a cup of tea with me  
Would you even dare to talk about my misery  
Papapaparara...

Adlib:

I hope someday that my life will be okey, even if for just  
one day

Ref... papaparapap...

Repeat chorus.

Papararara... papaparara...
