I know that you know
That you know, that I know
That you're for me
You're for me
You know, that I know
That I know, that you know
It's Chemistry, chemistry

Hey boy It's Friday
Party time and I'm glad to say
That I work so hard everyday of the week
And I'm gonna celebrate
Gotta move my feet
Three o'clock on the dot
Get ready to go out
Hit a spot where it's hot
It's what it's all about
To the mall, with my girls
Gonna shop until we drop
Hope you got my email
Cause I'm not gonna stop

CHORUS

Oh boy, I can't wait for the night to begin
I'm anticipating hope you'll hold me in your arms
So you can keep me warm
Let you know that I'm the one

Then We'll dance the night away
Nine o'clock on the dot
Can feel it in the air
And the spots, getting' hot
People moving everywhere
Gonna dance, gonna groove
Erase all of my fears
Glad you got my email
Cause I'm not gonna stop

CHORUS

All My girls are by my side

We make a left on Brookeland drive
Just a couple more blocks to go
Tonight I'm gonna let you know
Something you already know
Boy you know you're mine
You know you're mine
Boy you know you're mine
You know you're mine
Boy you know you're mine

CHORUS

You know you're mine
Boy you know you're mine
You know you're mine
Boy you know you're mine
