I know that when you look at me
There's so much that you just don't see
But if you would only take the time
I know in my heart you'd find
Oh oh oh, a girl who's scared sometimes
Who isn't always strong
Can't ya see the hurt in me
I feel so all alone

Chorus:

I wanna run to you, ooh ooh
I wanna run to you, ooh ooh ooh
Won't you hold me in your arms
And keep me safe from harm
I wanna run to you, ooh ooh
But if I come to you, ooh ooh, ooh
Tell me will you stay
Or will you run away

Each day, each day I play the role
Of someone always in control
But at night I come home and turn the key
There's nobody there, no one cares for me

Oh oh, what's the sense
Of trying hard to find your dreams
Without someone to share 'em with
Tell me, what does it mean

Chorus: Oh, I need ya here
I need ya here to wipe away my tears
To kiss away my fears, no no no
If ya only knew how much I wanna

Run to you, ooh ooh
No, I wanna run to you, ooh ooh ooh
Ooh ooh ooh, won't you hold me in your arms
And keep me safe from harm
I'll run to you, ooh ooh
But if I come to you, you
Ooh ooh ooh ooh ooh ooh ooh

Tell me, will you stay
Or will you run away
