Oh, oh oh, oh! That's the sound of pain  
Mm, mm, mm your pain will come like a thief in the  
night.

Pain will make your world up tight,Â  
You will feel a world of heartaches  
And you will cry as your heart breaks.  
It will laugh at what it put you through,Â  
Then you know-pain has gotten to you.Â  
Chorus: Pain, pain, pain, pain  
That's the sound of painÂ

You're moving forward, think you got it all,  
Pain comes along and then you fall.  
It can disguise itself as a friend,Â  
May be a loved one or next of kin!  
It can turn your day into a night,Â  
You give up and say: I just can't fight!

Chorus: Pain, pain, pain, that's the sound of pain  
Ooooooooooooooh, I can't believe what you put me  
through  
Pain, pain, pain-that's the sound of pain (2x)Â

Oh oh, oh! That's the sound of pain.  
Ha, ha pain. That's the sound of pain.  
??
